Description of Incident

11:15 am We entered Circuit Clerk's office and met Deputy Circuit Clerk Rhonda. Made our request for electronic files of Republican voters who voted, by precinct, in person and via absentee ballot for the June 3 primary and June 24, 2014 runoff elections. Also requested same information for Democratic voters that voted. In addition, we asked to inspect the Absentee Ballot Applications, Absentee Ballot Request Forms, Absentee Ballot envelopes and Poll Books.

Deputy Circuit Clerk Rhonda said that Circuit Clerk Bart Gavin was in Greene County working on a jury selection for a capital murder case and would not be available until Wednesday, though she was not sure. She claimed there was no one else in the office who could approve or supply the information or materials we were requesting. I asked if there was a Deputy Clerk and she said they are all Deputy Clerks but do not have the authority to release the information.

Susan asked if there was an Election Commissioner. Rhonda went and got the two Election Commissioners.

named Helen Stanley and Gail Welch. They repeated the story about Gavin being away and that he is the only person to approve and run the electronic data request. I asked the Election Commissioners about viewing the Absentee Applications, Absentee Request Forms, Absentee Ballot Envelopes and Poll Books. Helen stated that they were too busy finishing their review of the voting records. I stated that we would just be looking at the materials that the campaign people already looked at but she still said they were too busy to allow it.

with our requested materials

Helen did offer to let us view the poll books for both parties but we decided to wait and review all the documents together.

12:10 pm Susan then wrote a request for all the materials and data we want, including to view the FPCA and VOCAVA applications (see copy of request, attached). We gave the written request to Rhonda, who made a copy for us.

12:20 Left the Circuit Clerk's Office.
